Jazzy 1450

FDA Class II Medical Device*

INTRODUCTION

This form is interactive when viewed in [Adobe Acrobat Reader](#) and may not function correctly if opened with applications other than Acrobat. HCPCS codes provided should not be considered as legal advice and do not guarantee reimbursement. DME providers are responsible for determining appropriate billing codes when submitting for insurance reimbursement. Payer coding, coverage, and bundling guidelines may apply. All prices are MSRP. Prices, specifications, part numbers, and availability are subject to change without notice. Prices and part numbers as shown are only available when configured as a complete power chair. Pride Providers may contact Technical Service for accurate parts ordering.

Thank you for choosing Pride Mobility Products!

BASE MODEL

REQUIRED. Select a power base. Weight capacity: 600 lbs. Find more details and specifications at pridemobility.com/jazzy-1450.
